

Hill City School District 51-2 Disciplinary Action Guidelines

The purpose of this matrix is to ensure that our school has a safe and orderly environment in which learning is not jeopardized by disruptions. Each teacher provides students with a clear set of classroom rules and expectations and will administer consequences for minor offenses within the classroom. A discipline referral will result if students do not correct classroom misbehavior. The following matrix contains consequences that may be administered if classroom behavior is not corrected or more serious violations occur. The type of discipline will depend upon the student's disciplinary background and the seriousness of the student's action. The disciplinary action outlined below serves as a suggested disciplinary action to be taken by administration. The principal may modify disciplinary action at his/her discretion. Other infractions not listed will be reviewed on a case by case basis. Multiple or repetitive violations of behavior rules may result in long-term suspension, expulsion, or placement in a long-term alternative program.
